Where can I buy Paper Based Access Codes from?

You can buy Access Code printed on paper from the University Bookstore on campus. These are limited in number and tend to sell out quickly. **For fall 2018, the codes are already sold out.**

What are the common issues with Paper Based Code?

1. You have to go to the physical store to buy it.
2. You can lose the paper code.
3. You have to manually enter the code in the system.
4. It takes too much time and is not almost instant.

Is there a way to buy codes directly online and not have to do any of the above?

Yes. You can buy an Online Access Code from the following payment gateway:
