Go to https://www.casa.uh.edu

Create an account and take the quiz which is entitled

“Do I Need to Take a Math Placement Exam?”

You answer Yes to at least one of the questions.

Print the receipt from taking your quiz, and see your advisor at your New Student Conference to determine whether you still need to take a mathematics course.

You answer No to all of the questions.

Take a Math Placement Exam, and then see your advisor at your New Student Conference for further information concerning your mathematics requirements.

Visit http://online.math.uh.edu/MathPlacement for further information.
